NOTICE TO PROSPECTIVE BIDDERS

Subject: Invitation to Bid

COUNTY: PENDER

Project Description: Place Monolithic Concrete Islands, Curb & Gutter, Thermoplastic Pavement Markings and Snowplowable Pavement Markers for a Superstreet in Pender County.

WBS Elements: 41246.3

The North Carolina Department of Transportation is requesting bids to Place Monolithic Concrete Islands, Curb & Gutter, Thermoplastic Pavement Markings and Snowplowable Pavement Markers for a Superstreet in Pender County. The project will include 340' of 2' 6" Concrete Curb & Gutter, 825 Square Yards of Monolithic Islands & over 5,000 LF of various Thermoplastic Pavement Marking Lines in Pender County. The Contractor is to furnish labor, material, equipment, and traffic control. All quantities are estimates only.

The availability date for this project is November 1, 2010. The completion date is December 1, 2010.

Sealed bids must be received in the Division 3 Engineer's Office, 124 Division Dr., Wilmington, NC 28401 by **2:00 p.m. Tuesday October 12, 2010**. Bids must be submitted on the official bid sheet included in the proposal and display the following statement on the front of the envelope. **Company Name, Quotation for WBS Elements: 41246.3, Place Monolithic Concrete Islands, Curb & Gutter, Thermoplastic Pavement Markings and Snowplowable**

Pavement Markers for a Superstreet, in Pender County. TO BE OPENED AT 2:00pm Tuesday October 5, 2010.

Beginning **July 1, 2009**, any firm that wishes to perform work on Division Purchase Order Contracts as either the prime contractor or as a subcontractor on the project must be prequalified for the type of work they wish to perform. Firms that wish to bid on these projects as the prime contractor must be prequalified prior to submitting a bid. Firms that wish to perform as a subcontractor to the prime contractor must be prequalified prior to beginning work on the project.

For the purposes of prequalification, any firm that is currently prequalified as a prime or a subcontractor on central let projects for the appropriate work codes is considered eligible to work and/or bid on Purchase Order Contracts as long as other items such as bonding and license requirements for the contract are met.

Information regarding the requirements to become prequalified as a Purchase Order Contract contractor, including the application to become prequalified if you are not already prequalified, can be found at the following website:
